Welcome Lynette by Niki Pohnl

Aptiv provides a range of innovative support through customized services for individuals with disabilities. With guidance and support from Aptiv’s professional staff, individuals with disabilities develop skills and confidence they need to live more independently and to be more engaged lives in the community. They focus in the areas of living, learning, and working.

Shonda Dickenson, an Employment Specialist at Aptiv, approached us about a potential office intern to help us with answering phones, making copies, stuffing envelopes, and assisting with other jobs.

We welcomed Lynette to our staff in November. Lynette works with specialists through the Department of Vocational Rehabilitation (DVR) and through Aptiv, both partnering in the community for individuals to

gain real life experience. She may be the voice you hear when you call the office or she may assist you when you stop in. She loves her job very much so far and has found the staff to be awesome to work with.

Lynette was born and raised in Sparta and moved to LaCrosse in 1998. She has two wonderful daughters, a grandson, and a granddaughter. She is in the office on Tuesday afternoons, Thursday mornings, and sometimes Friday mornings. An internship usually lasts up to 90 days. Lynette will be with us until March. When asked where she would like to work after her internship, Lynette replied, “Well, I want to renew my internship and work at English Lutheran!” She is a blessing to our staff!
