At times, we publish pictures on our website, social media, and submit photos for local news stations and publications. Typically, we only use first names on our own sites. **If you do not want individual photos of your household shared with the public, please check this box.** Please know that if we take large group photos, those may be used without consent (Worship, Sunday School, VBS, Block Party, etc.)

We are striving to be excellent stewards of the environment! The normal default is to **email** monthly and weekly newsletters and we will automatically add you to those lists. We promise to never email you more than twice a week! **Please check this box if you do not want to be on our email list.** You will receive a paper copy of the monthly newsletter in your mailbox instead. Weekly newsletters are not mailed and can be picked up at church. You may still receive emails from our staff members, but you won't be on our e-news distribution.

Information on this form is for English Lutheran Church office use only and will not be distributed to any other party.
